

WE HAVE EXTRA MEASURES IN PLACE FOR YOUR SAFETY.

We are already great at infection control! Our standards are as high as ever.

Our team will NOT attend work if they are unwell.

Please stand back from the reception desk, and maintain a distance of 1.5m from others at all times.

Please wash / sanitise your hands and avoid touching the reception desk and other surfaces.

Please allow our nursing team to restrain your pet in the treatment room if required

Please pay by card and avoid cash where possible.

If you are a vulnerable member of our clinic family, we will facilitate vet visits and the collection of food and medicine in the best way to minimise your risk.
