Program Overview

Online Coaching Workshops

Our Future Leaders Program is designed to equip emerging leaders with the essential skills and insights needed to thrive in today's dynamic workplace. Each workshop in this program offers a deep dive into key leadership and management topics, providing practical strategies, interactive learning, and personal reflection to help you grow into a confident and effective leader. Whether you're new to leadership or looking to enhance your existing skills, this program will guide you every step of the way.

01

Networking Forum

Kickstart your leadership journey with our networking forum, where we lay the groundwork for your development as an effective leader. This session provides an introduction to the program, explores the essence of leadership, and helps you define what it means to be a leader. You'll gain insights into the emotional journey and challenges new leaders face, understand the importance of practice culture, and begin crafting a personalised leadership development plan.

02

Emotional Intelligence & Me

Discover the power of Emotional Intelligence in leadership. In this workshop, you'll learn what Emotional Intelligence (EQ) truly means and explore the four key competencies that can enhance your effectiveness as a leader.

03

Emotional Intelligence & Others

Enhance your ability to connect and collaborate with others. This session focuses on improving social awareness and social skills, understanding empathy, and building effective relationships that foster a positive practice environment.

04

Resilience and Self-Care

Explore strategies to strengthen your resilience, learn effective debriefing techniques after challenging events, and dive into the six essential classifications of self-care to support long-term success and balance in your leadership role.

05

Leadership Communication

Learn how to overcome communication barriers, explore different communication styles, and master tools for effective communication. This session also covers how to deliver constructive and assertive feedback, and the art of delegation, ensuring your messages are clear, confident, and impactful.

06

Conflict Resolution Strategies

Learn to navigate and resolve conflicts with confidence. Gain a deeper understanding of the sources of conflict and different conflict styles, and learn how to manage strong emotions during challenging situations. This session includes a helpful conflict questionnaire to assess your response to conflict and provides strategies for effectively managing emotions, ensuring you can lead through conflict with poise and professionalism.

07

Managing Difficult Clients

Navigate and resolve conflicts with confidence. Gain a deeper understanding of the sources of conflict and different conflict styles, and learn how to manage strong emotions during challenging situations. This session includes a helpful conflict questionnaire to assess your response to conflict and provides strategies for effectively managing emotions, ensuring you can lead through conflict with poise and professionalism.

08

Difficult Team Conversations

Equip yourself to handle challenging team dynamics. Explore the 5 dysfunctions of a team, common causes of workplace conflict, and the impact of workplace culture on team interactions. You'll learn how to use assertive language, respond to emotions during conflicts, and plan for productive team conversations that foster a positive and collaborative environment.

09

Bringing it all Together

In our final workshop, we integrate the insights and skills developed throughout the program. This session focuses on synthesizing your learning from previous workshops, applying leadership communication, emotional intelligence, conflict resolution, and client and team management strategies in a cohesive manner. You'll reflect on your growth, refine your leadership approach, and develop a comprehensive action plan to implement your newly acquired skills effectively within your practice.

Elevate your leadership skills and drive success in your practice by joining the Future Leaders Program. This comprehensive program offers a blend of interactive workshops, expert coaching, and practical strategies designed to transform emerging leaders into confident, effective decision-makers. Gain invaluable insights into emotional intelligence, conflict resolution, and communication, and develop the tools to manage both clients and teams with greater ease. Don't miss this opportunity to invest in your growth and shape the future of your practice.
